YEAR FOR PRIESTS 2009 ~ JUNE 19 ~ 2010

"You have spoken of the parish as a fundamental structure, assisted and enriched by movements. And it seems to me that precisely during the Pontificate of Pope John Paul II, a fruitful combination between the constant element of the parochial structure and, let us say, the "charismatic" element, was created, which offers new initiatives, new inspirations, new life. Under the wise guidance of the Cardinal Vicar and the Auxiliary Bishops, all parish priests can together be truly responsible for the growth of the parish, taking in all of the factors that can come from the movements and the living reality of the Church in varied dimensions."

Benedict XVI, 5/13/2009

100th Anniversary Celebration

TIMES GONE BY...

Father Edward Lynch became the third pastor of St. Agnes Parish in September 1948. He zealously served the parish for ten years. His decade of unflagging service put St. Agnes Parish on a remarkably stable financial basis. He was also instrumental in organizing parish societies.

In 1948 St. Agnes Guild was founded and Mabel Dysart was the first president. This group of ladies began their years of existence with the intention of assisting the pastor in any way they could and to join together on a regular basis to fortify themselves by prayer and friendship. Their intentions to assist the pastor in performing the corporal and spiritual works of mercy continue to this day.
